

Minnesota Pest  
Management  
Association

**MPMA Board of Directors Meeting  
October 19, 2021  
Crooked Pint Ale House  
1734 Adolphus Street  
Maplewood, MN 55117**

**Dr. Stephen Kells, University of Minnesota:**

Dr. Kells will discuss items that relate to the Structural Pest Management Industry including the 2022 Minnesota Structural Pest Management Conference. EPA eliminating pyrethrin's?

**Roger Macekanz, Minnesota Department of Agriculture:**

Roger will discuss MDA various items. This will include our interest in more computerized testing locations other than the St. Paul office. In addition, the time frame to receive a temporary license after testing and future direction of applicator online training will be discussed.

**Todd Leyse, Adams Pest Control:**

Todd will discuss the State Policy Affairs Representative (SPAR) Program. MDA's Journeyman category.

**Caroline Kirby, Plunketts Pest Control:**

Caroline will open the discussion on bed bug legislation that would require landlords to hire pest management professionals to perform inspections and treatments for bed bugs in landlord-tenant housing. Please be prepared to enter into the discussion.

**Mike Fresvik, Minnesota Pest Management Association:**

Mike will present an update on 2021 MPMA Active and Allied memberships. What can be done to promote MPMA membership? Mike will present the current MPMA Financial Status Report.

Please contact me should you have questions or additional agenda topics.
